

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-638-2603. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-638-2603 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p><u>Network providers</u>: \$1,250/individual, \$2,500/family; <u>Out-of-network providers</u>: \$3,000/individual, \$6,000/family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
Are there services covered before you meet your deductible?	<p>Yes. <u>In-network preventive care</u> and <u>prescription drugs</u> are covered before you meet your deductible.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/</p>
Are there other deductibles for specific services?	<p>Yes. \$75/individual, \$225/family for dental; \$10/individual for vision. There are no other specific deductibles.</p>	<p>You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.</p>
What is the out-of-pocket limit for this plan?	<p><u>Medical plan network providers</u>: \$6,100/individual, \$12,200/family; <u>Medical plan out-of-network providers</u>: \$8,150/individual, no family <u>out-of-pocket limit</u>; <u>Prescription drugs (in-network and out-of-network)</u>: \$500/individual, \$1,000/family</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
What is not included in the out-of-pocket limit?	<p><u>Premiums</u>, <u>balance-billing charges</u>, the <u>out-of-network deductible</u>, penalties for failure to obtain <u>preauthorization</u> and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.nasifund.org or call 1-800-810-BLUE for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
